AMETHYST CLASS

A reminder that Amethyst Class parents are invited to attend a “drop-in” session this afternoon with Miss Foy and Mrs Chaplin-Stephens 3:15-4:15. This is a chance for you to have a look through the children’s books, look at classroom displays and ask the staff any general questions. Our next set of formal parents evenings are in March. Parents are always welcome to contact teachers and make an appointment for an update at any time should they have issues to discuss that can’t wait that long.

MISS FOY

Mrs Chaplin-Stephens will be teaching Amethyst Class tomorrow and on Monday and Tuesday next week. Miss Foy will then return to work full time from Thursday 4th January. If you are worried that you have not yet got your Christmas cards to Miss Foy – she will be dropping in tomorrow. Thank-you.

CHRISTMAS JUMPERS ON MONDAY

Just to clarify, as a few parents have asked, please can those children with Christmas jumpers **wear school uniform plus a Christmas jumper** on Monday.

NEW HEADTEACHERS (FOR THE DAY)

Tomorrow we will be welcoming Jessica and Luke Smits to the staff team as our Co-Headteachers for the day. The Smits family won this experience for their children in the silent auction at our summer fete. They will be hosting our woodwind assembly at 9:00am; undertaking a learning-walk; and preparing a Headteacher Report for our governing body.

AMAZING CHRISTMAS PERFORMANCES

Wow! The school community and wider community have been treated to some amazing Christmas performances over the last two weeks. I accompanied the choir on their visit

to Sharman Beer Court last Friday – and that was only two days after the triumphant Festival Of Christmas Music at the leisure centre. This week KS1 and Foundation Stage children have treated families and friends to multiple performances of their nativity shows. A – MA – ZING!! See you all at the church on Tuesday for a fabulous finale to a brilliant term.

Please remember that the children break-up for Christmas at 2:00pm on Tuesday.

Thank-you for your continued support and have a very merry Christmas,

Mr. P. Hankey.
