

# Knowledge Organiser: Reception - Term 1

Maps are drawings of the earth, they show where things are.

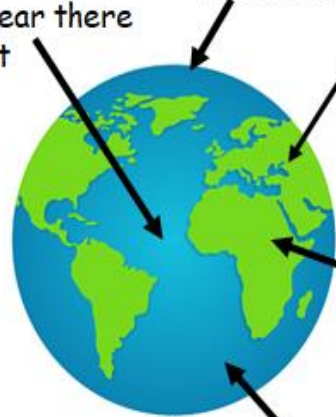

From Thame...

...And Beyond

Equator - an imaginary line around earth, countries near there are very hot

North Pole - the very top of planet earth. It is where polar bears live and is very cold.

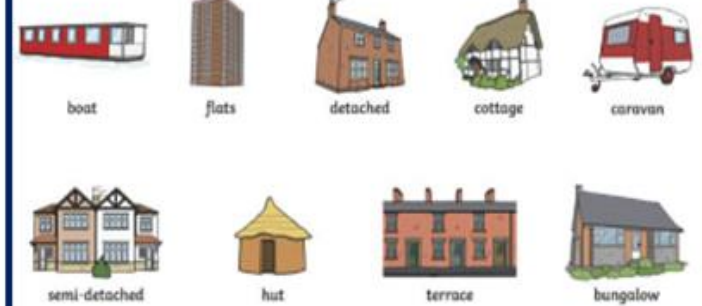

Land

Ocean

South Pole - the bottom of planet earth. It is where penguins live and is very cold.

At the beginning of this term we will be learning about ourselves and Thame. We will then move onto learning about countries and cultures which link to families in our year group. Look out for our Google questionnaire ... coming soon!

## Houses and Homes

## ALL KINDS OF FAMILIES

There are many different kinds of families. I can't draw them all on this page; it's impossible! What is your family like?
