

Overview of Governance Structure John Hampden and Tetsworth Schools' Federation

1. The Role of the Federation Governing Board

Governing boards have three core strategic functions:

- a. Ensuring clarity of vision, ethos, and strategic direction
- b. Holding the headteacher to account for the educational performance of the schools and their pupils; and
- c. Overseeing the financial performance of the schools making sure its money is well spent.

2. Membership of the Governing Board

DfE's Governance' Handbook says:

The membership of the board should focus on skills, and the primary consideration in the appointment and election of new governors should be acquiring the skills and experience the board needs to be effective.

All Governors must govern in the best interest of pupils; it is not their role to represent a stakeholder group but to act as the champions for the children in the federation.

The current composition of the John Hampden and Tetsworth Schools' Federation Governing Board (11.09.2023) is made up of the following members:

Type of Governor	Name
Headteacher	Paul Hankey
Parent Governors	Luke Hanratty
	Dan Hayes
Local Authority Governor	<i>Vacancy</i>
Staff Governor	Laura Craig
Co-opted Governors	Anna Bowden (Tetsworth)
	Beverley Fulton
	Sarah Bradford
	Rosy Bowling
	Sian Stratton
	Rachel Caseby
	Natalie Henderson

The school's Instruments of Government give full details of the constitution of the board, the numbers and category of governors. The headteacher chooses whether or not to be a governor; in practice almost all Heads choose to do so.

For information on what is expected of Governors in our Federation, please see **Code of Conduct for Governors**; also see DfE guidance:

3. Governance Structure

The **John Hampden and Tetsworth Schools' Federation Governing Board** operates as a single board, meeting monthly as a full governing board (FGB) and appointing lead governors for specific aspects of the governing board work.

The Governors believe this method of governance:

- a. Ensures the Headteacher and Governors are more effective by being decisive, strategic, and proactive.
- b. Empowers governors as all are part of the decision-making process and party to full discussions (avoiding the repeating of information in committees and at FGB, which previously often led to a dilution of the key points).
- c. Is more inclusive, utilising the strengths and skills of all governors, including staff governors.
- d. Allows Lead Governors to be proactive and propositional when organising, carrying out and delegating monitoring activities.
- e. Ensures Governor' Visit Reports are meaningful, as these are discussed sooner.
- f. Supports all governors' full understanding and involvement and will promote succession planning.
