On the go!

Key Vocabulary

Transport - to take or carry (people or goods) from one place to another by means of a vehicle, aircraft, or ship

Vehicle - is a mode of transport to help a person travel from one place to another.

Engine - a machine designed to make a vehicle move. Some vehicles do not have engines.

Amphibious vehicle - a vehicle which can travel on land and on water.

Books we might read

Ways you can learn more about this topic at home

- Talk about different types of transport. Talk about journeys your child has been on. How did they get there? Have they ever been on a train, aeroplane or boat?
- When out and about describe different modes of transport, how many wheels? Is it travelling fast, slowly?
- Use materials at home to make an aeroplane or boat or any other type of transport.
- Sing some songs linked to transport, eg The wheels on the Bus etc.
